

PAVAO VINHO VERDE

Dry White Wine

Wine description:

Vinho Verde from Portugal—Light in body and citric color and often enlivened with a slight fizz, Vinho Verde is a half dry white wine meant to be consumed while still youthful and fresh (hence the verde, or “green”). Served well-chilled, its light, clean impression on the palate is—like all of summer’s delights—highly pleasurable yet fleeting, with a finish that’s as crisp and bracing as a dive in the pool.

Perfect with salads (balancing the acidity of the dressing), seafood and fish, and a foil for fatty foods or dishes; with Thai or other South East Asian cuisines.

Should be served ice cold at below 7°C/ 45°F.
